My son/daughter _____ has my permission to participate in the Service Learning In Kenya trip, under Batian's View, LLC, departing the US on June 11, 2024 to Nairobi, Kenya with a planned return to the US on July 7, 2024.

In addition, I understand that my child's participation can include travel hazards and other activities that may cause injury or death inherent in this type of trip. I grant permission for transportation of my child to be provided a Batian's View, LLC employee, trip chaperone, another parent, or other persons in Kenya as necessary. I understand that in the event of injury or other claim, all liability will fall upon our personal medical and liability insurance and is not the responsibility of Batian's View, LLC. I understand that by granting permission, I waive all claims I/we may have against Batian's View, LLC and all their employees or agents and relieve Batian's View of all liability regarding the activities or transport of my child during the trip.

I understand that the US State Department has issued a travel advisory for Kenya, and I am aware of the contents of this advisory.

This permission form is valid unless revoked in writing by me/us. If any portion of the agreement is held to be invalid by a court of law, then it is agreed and intended that all the remainder shall, notwithstanding, continue in full force and effect.
